

Not meant for use in water.

# KeLa

by OAKWORKS®

When massage table comfort, simple good looks, and durable strength, need to come together at a great price,

OAKWORKS® KeLa™ is the answer. Never has a portable table afforded so much bang for just a few bucks. Unlike other low cost tables, the KeLa™ portable massage table doesn't skimp on quality. Built with OAKWORKS® signature quality standards and attention to detail, this is a table tailor made to support a growing career.
