1. There are 2 lounging positions for the lounger / bed conversion as shown in diagram 3.

2. The sofa bed has 3 positions as shown in diagram 4.

3. Stand in the middle at the back to the required positions and secure it in the place by listening to the clicking sound of the mechanism in the sofa. Make sure that the two sides of the locking mechanism lock at the same angle

4. For back to bed conversion, stand in the middle at the back of the sofa bed and simply lift the back up all the way to the end until the final clicking position of the sofa mechanism is heard and slowly release it back to the bed position
