

# Converting your Sofa Bed Convertible:

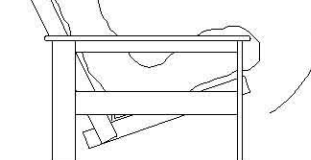

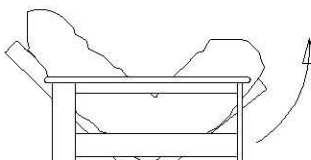

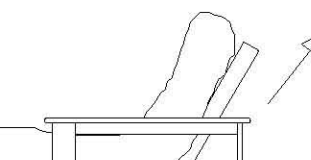

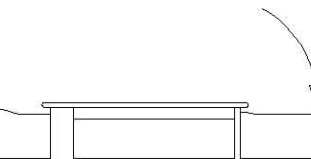

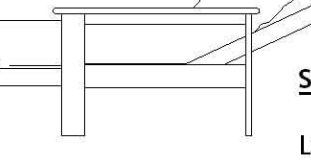

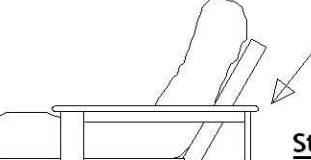

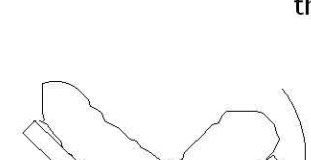

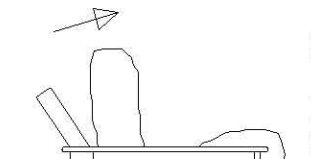

LIFESTYLE SOLUTIONS®

## Converting from Sofa Position to Bed Position

## Converting from Bed Position to Sofa /Lounge position

Note: Remember not to force your futon frame when converting. A new inner spring mattress or heavy futon mattress can be difficult at first but will eventually get easier with use.

<p> <b>Front Side</b></p> <p><b>Step #1</b> From Seat position, lift Seat Deck upwards as shown.</p> <p></p> <p><b>Step #2</b> Keep lifting until Back Deck slowly moves towards Bed position</p> <p></p> <p><b>Step #3</b> Once Back Deck is completely resting on Back Stretcher Rail, pull Seat Deck upwards as shown to unlock.</p> <p></p> <p><b>Step #4</b> Finally, drop Seat Deck so that it rests on the front stretcher rail.</p> <p></p>	<p> <b>Front Side</b></p> <p><b>Step #1</b> Lift up Mattress as shown (seek assistance for easy handling), then lift up Seat Deck.</p> <p></p> <p><b>Step #2</b> Push down Seat Deck diagonally to lock in place. Gently push down to ensure that the deck is locked in proper position.</p> <p></p> <p><b>Step #3</b> Once Seat Deck is securely locked in position, push it down to rest on front stretcher rail.</p> <p></p> <p><b>Step #4</b> Pull up mattress as shown and push in Seat Deck to either Lounge or Seat position as illustrated in diagram A and B.</p> <p></p>
