

Fully Integrated Entertainment Crosstrainer-Elliptical

M770EL Crosstrainer Elliptical
Crosstrainer with Fully Integrated LCD Screen

Taking the industry's hottest entertainment in stride, Motus USA's M770EL Crosstrainer Elliptical features a fully integrated LCD entertainment console compatible with MP3's, DVD, Satellite TV and 125 Cable TV options. Our units incorporate our SafetyStride™ w/ Articulating, Self-adjusting Foot Pedals that prevent the heels from lifting up, offering seamless fluid motions and ensuring that leg and glute muscles are properly utilized. This unit embodies the perfect balance between motion safety—and entertainment savvy.

*Perspex® Display Covers

Every unit features a high grade Perspex® protective display cover to protect the console from sweat and damage, prolonging the life of the console features. Perspex® is our preferred choice as it has been known for its durability in demanding environments.
