

Sintra

ED132ABF (black)

Coffee in the morning, espresso at noon, and a cappuccino after dinner. Is it possible to have too much? Not if you have the Briel Sintra! A combination 10-cup drip coffee maker and pump espresso machine, Sintra adds extra features such as Briel's Auto Espresso Flow™ microchip, a warming plate for pre-heating cups, and the convenient drip stop feature. All in a no-nonsense sleek European exterior. *New & Improved version ESE adaptable for use with ground coffee or coffee servings (pods)!*

Additional features include:

- Constant 15 Bar pump pressure (above the ordinary 9 Bar) producing a savory espresso with perfect crema every time.
- **ESE** adapted for use with ground coffee or coffee servings (pods).
- Filter holder and filter basket that can accommodate both ground coffee & ESE pods coffee servings (pods).
- Turbo Jet Frother, a Briel exclusive, produces plentiful dry steam for a thick milk froth for a cappuccino or latte.
- Patented Crema Master™ filter produces rich genuine crema every time and AquaStop™ No-Drip System prevents dripping and need to “bleed” machine of remnant water.
- Stainless steel boiler – it’s better!
- “OK” light signals when machine is ready for brewing or frothing.
- Two thermostats regulate the coffee cycle and steaming process, with a third “safety” thermostat located on the pump in the event of abnormal or continuous use.
- Push button switches – dependable quality.
- Large, removable 1.8 liter water reservoir that fills from the top.
- Water level visible from the front.
- Water filter on intake.
- Removable overflow tray for easy cleanup.
- Built in coffee tamper and measuring spoon included.
- 10-Cup drip coffeemaker with pause feature
