## Take it easy!

Say goodbye to monotony with the WMF BISTRO easy, your easy introduction to the booming coffee specialties business..

Amazingly good value for money, this machine offers you everything you would expect from a modern professional coffee machine:

- The WMF BISTRO easy prepares Espresso, Cappuccino, Café Crème, White coffee and Latte Macchiato, freshly and automatically. At the touch of a button, one cup or two, in the accustomed WMF top quality.
- All the main parameters for preparation, such as the quantity of ground coffee or milk froth, can be individually set.
- With an hourly output of 120 – 140 cups, this is the ideal machine for low to medium coffee demand in catering and hospitality.
- Automatic cleaning program.
- Vending units (card reader, coin checker, coin changer) can be connected to the self-service version.
