

Fully Integrated Entertainment Recumbent Stationary Bike

M660BRL Recumbent Bike

Recumbent Bike with Integrated LCD Screen

Featuring a fully integrated 10.4" LCD TV screen, this unit is compatible with entertainment options such as MP3, DVD, Satellite TV and 125 Cable TV options. The 660 Series excels in accommodating users of all life stages. Retractable armrests and EZ Walk-Through™ design make for convenient access to and from the unit. Touch-sensitive keys and large, bright displays facilitate easy maneuvering through programs and statistics.

*Perspex® Display Covers

Every unit features a high grade Perspex® protective display cover to protect the console from sweat and damage, prolonging the life of the console features. Perspex® is our preferred choice as it has been known for its durability in demanding environments.
